

**WALL  
SPORT™**  
**BODY QUENCHER**

The logo is a stylized graphic of a baseball bat. The word "WALL" is written in a bold, blocky font at the top, with the letters slightly overlapping. Below it, the word "SPORT" is written in a larger, even bolder font, also in a blocky style. A small "TM" trademark symbol is located to the right of the "SPORT" text. At the bottom of the bat shape, the words "BODY QUENCHER" are written in a bold, sans-serif font, following the curve of the bat's handle. The entire logo is rendered in black and white with a thick white outline.
