

ASiMITM

The logo features the company name "ASiMI" in a bold, sans-serif font. The letter "S" is rendered in a metallic, 3D style with a gradient from light to dark. The letter "i" is a simple, solid black lowercase letter. Above the "i" is a molecular structure consisting of a central atom connected to four other atoms in a tetrahedral arrangement. The letters "A", "M", and "I" are solid black. A trademark symbol (TM) is located to the right of the "I".
