

artistic
graphics

The logo features the words "artistic" and "graphics" in a bubbly, rounded font. The letters are filled with a bright yellow color and have a thick, light blue outline. The word "artistic" is positioned on the top line, and "graphics" is on the bottom line, with the 'g' overlapping the 'i' from the word above. Three five-pointed stars are scattered around the text: one is located above the 'i' in "artistic", one is below the 'a' in "artistic", and one is above the 'p' in "graphics". Each star has a yellow center and a blue outline.
