

The logo consists of a solid orange oval background. Inside the oval, the word "Auto" is written in a white, bold, italicized sans-serif font. Below "Auto", the word "wijk" is written in a larger, bold, italicized sans-serif font, also in white. To the right of the oval, the ".nl" domain extension is written in a smaller, bold, italicized sans-serif font, colored orange to match the oval.
